The Big Pride mentoring program is a collaboration between Big Brothers Big Sisters of Southwest Michigan and OutFront Kalamazoo. The program is for youth age 12 to 16 who identify as lesbian, gay, bisexual, transgender, queer, or questioning.

LGBTQ+ mentors are matched with LGBTQ+ youth to form a supportive friendship to ignite the power and promise of the Little and help guide and support them through their teen years. Youth participating in this program must have parent/guardian support to be considered as a Big Pride Little.

If you are interested in finding out more about the program or would like to apply to be a Big or a Little please visit ThinkBigToday.org/Big-Pride.
